Care for the World

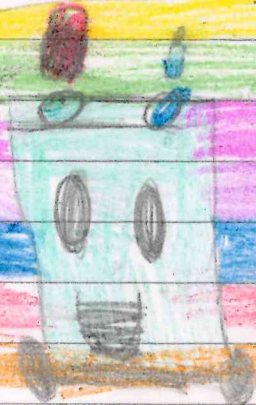

Our rubbish ~~doesn't~~ disappears
or patch. *Life - Greenly*

Change the world by putting stuff into
bin

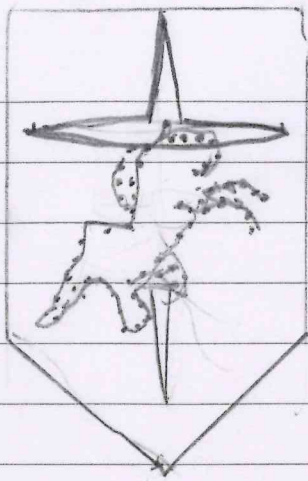

Our planet is special. So we
need to look after it.

Don't put the wrong stuff in the wrong bin

Experts say there are 25,000
Mini beasts in the UK alone.

We Reduce

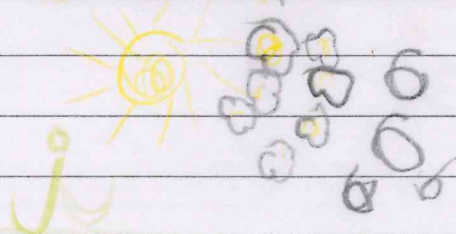

We avoid wasting things.

We Reuse

We use things more than just once.

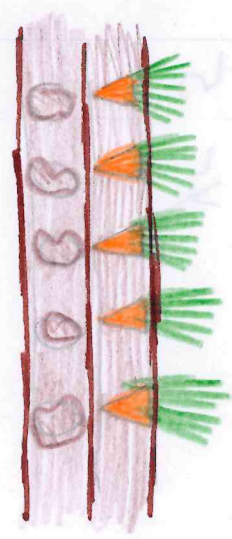

We Recycle

We stop creating rubbish, we separate waste so we stop poisoning our amazing world.

LET'S BE SEEN TO BE GREEN

Enjoy our Planet

Nature surrounds us

Vegetables can be grown

Instead of driving walk or cycle

Re member to Reduce, Reuse, Recycle

Our School, our environment let's care for it

Make sure you have a recycling bin

Everyone get involved

Never litter so put it in the bin

Together we can make a difference
